

Emergency Broadband Benefit Program

The Emergency Broadband Benefit Program (EBBP) is a temporary federal program to help households severely impacted by the COVID-19 pandemic stay connected.

WHO CAN PARTICIPATE?

A household could be eligible if one member of the household:

- ✓ Qualifies for the existing Lifeline program
- ✓ Receives benefits under the free and reduced school breakfast or lunch program, including the USDA Community Eligibility Provision, or did so in the 2019-2020 school year
- ✓ Experienced a substantial loss of income since February 29, 2020, and the household had a total income in 2020 below \$99,000 for single filers and \$198,000 for joint filers
- ✓ Received a Federal Pell Grant in the current year

WHAT ARE THE BENEFITS?

The EBBP will provide a benefit of up to \$75 in monthly bill credit towards qualified plans*. The benefit is limited to one monthly service discount per household and, upon the program's expiration, subscribers will be subject to Saddleback's regular rates, terms and conditions.
