

Affordable Connectivity Program

The Affordable Connectivity Program (ACP) is a Federal program to help households stay connected.

WHO CAN PARTICIPATE?

A household could be eligible if one member of the household:

- ✓ Qualifies for the existing Lifeline program.
- ✓ Receives benefits under the free and reduced school breakfast or lunch program, including the USDA Community Eligibility Provision, or did so in the current school year.
- ✓ Received a Federal Pell Grant in the current year.
- ✓ Receives WIC assistance.

WHAT ARE THE BENEFITS?

The ACP will provide a benefit of up to \$75 in monthly bill credit towards qualified plans*. The benefit is limited to one monthly service discount per household and, upon the program's expiration, subscribers will be subject to Saddleback's regular rates, terms and conditions.
